

SHANNON QUINN

City of Sacramento Front Street Animal Shelter

Senior Animal Care Technician

Hi there! Currently at FSAS, I directly oversee a wonderful team of 9 to 15 Animal Care Techs and daily operations of the shelter. I have been developing supervisory skills as it relates to this position for a little over three years now. I was promoted from an Animal Care Technician position. I have been a FSAS employee since May 2013. I hold a special place in my heart for senior dogs!
